DEDICATION

With our High School days swiftly passing, we pause to catch a glimpse of the happiness and friends we have had.

As we, the Annual Staff of '73, reminisce our last year in high school, we cannot help but to remember the one who helped us so much as we continued on our great venture.

There is no way we can show our appreciation to the one who has given so much, but taken so little credit.

We have never been so proud of anything as we are to dedicate our yearbook to one who is our friend, who instills knowledge and honor, encourages, advises, and gives sympathetic understanding to all that need his help.

Mr. Berry has taught students diligently for many years. His example before us has shown us the right way to a happier life. His smile will always be remembered in our hearts.

We the Wildcat Staff of 1973 offer this dedication as a humble expression of our appreciation for all you have done to make our school life what it is and what it shall become.

With these worthwhile traits in mind, we the Annual Staff of 1972-73, dedicate this edition of our yearbook to you, Mr. G. C. Berry.
